Dear Applicant,

Thank you for expressing an interest in our exciting new post of Trust IT Technician at Inicio Educational Trust. This pack tells you more about our Trust, the role and the person we are looking for.

As a Trust, we now comprise of seven primary schools, one junior school and four secondary schools across the London Boroughs of Bromley and Croydon, as outlined on the next page. Our increase in size is as the result of a recent merger, so it is a very exciting time to join the trust as we plan forwards on how our family of schools work together for the benefit of the communities we serve. We see this new role as instrumental with supporting the excellent professionals we have working across our schools to further enhance the offer in place for children with specific educational needs and disabilities.

Our overarching aim for all our schools is **learning together, inspiring all**. We are committed to **excellence**, having great aspirations for our children and young people, and encouraging them to seek out and take hold of opportunities. Our drive for excellence is supported by our **collaboration** and we are committed to sharing expertise to empower and inspire all individuals in our schools to thrive in a global world. This is underpinned by **inclusion**. We celebrate and respect the diversity in our communities, and we have a shared expectation in everyone to achieve in an ever-changing world.

This post is available ASAP and offers an exciting opportunity to join an enthusiastic staff who are committed to making a real difference. The successful candidate will join the trust at an exciting time as we continue to grow, offering opportunities for enhanced professional and career development for colleagues.

When completing the application form, please follow the instructions and demonstrate clearly how you meet the person specification and job description.

We very much look forward to receiving your application.
